

Natural Fibrenamics Award 2021

This Fibrenamics Contest, included in 5th International Conference on Natural Fibers, aims to award the best innovative products in the field of natural fibers. The proposals will be shown virtually during the conference in a special show-room prepared for this purpose. The products will be evaluated by a selected jury, aiming on the innovation, design and functionality. The contest intends to be a showcase of the latest innovation in the field of the natural fibers, both for the scientific and industrial communities.

Conditions of entry

Entry is open to companies, institutes, universities and polytechnics, as well as individuals, from countries all around the world. The project submitted must be a new development in the role of natural fibers, which has not received an award elsewhere.

Due to the international nature of the jury, we ask you to submit your project description in English.

Form of entry

Registrations will be accepted by email (secretariat@icnf2021.fibrenamics.com). Original photographs or patterns will be accepted only following prior consultation.

Please submit the following documents:

- Completed registration form
- Description of project on maximum 2 A4 pages
- Video (maximum 1), photographs or illustrations (up to 10)

In the case that the total size of the file(s) is greater than 15MB, you should send your file(s) to us through WeTransfer.

Jury

A jury will decide on the award of the Fibrenamics Contest and its decision will be final and indisputable. Legal recourse is excluded.

Award

The number of prizes will depend on the quality of the works submitted and is unlimited.

The award ceremony for the Innovation Contest will take place during the 5th International Conference on Natural Fibers, Online.

The prize winners will receive a certificate and a logo (word and picture brand in digital form) which can be used for publications.

Violation of conditions of participation

In the case of violation of any conditions of participation, the participants will be excluded from this contest and/or future contests for Natural Fibrenamics Award.
